NOTICE

The building permit is valid for 9 months (refer to Ord. No. 04-05-20-02). This permit becomes null and void if construction is not started within sixty (60) days of the approval date of the permit, or if the building or work authorized is suspended or abandoned at any time after the work is commenced for a period of two (2) months. I hereby certify that I have read this document and all of the above information is true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting of this permit does not give authority to violate or cancel any law or ordinance. Various inspections are required on building projects. Applicant is responsible for obtaining a list from Development Services upon issuance of permit. All building projects require a FINAL INSPECTION before the project is considered complete.
