KLVB will do the brochure  
Lantz Plumbing will do both the library and city hall and will obtain the necessary permits. Application fees will be waived.  
The demo will be at the library.  
Maybe we could include a paragraph on our water bills.  
Frank to do the brochure using paper. Jane said she had volunteered to help.  
Lantz will be contacted by Mike but he will hold off on buying any stickers until barrels are in place.  
For City Hall a 650 gallon tank along with a pump and installation was approved.
