

The City Of Lago Vista

The City of Lago Vista is beginning a 9-month planning process to update the City's 2008 Comprehensive Plan. This update will refresh the community's vision and will be used daily by your City Council and decision-makers to inform decisions on growth, development and revitalization. This Town Hall meeting will be held to gather input that will define the community's vision and influence plan recommendations. ***What will Lago Vista look like in the future? How and where will it grow? What's missing in Lago Vista?*** These are just a few of the questions that need YOUR valuable input.
