

WE WANT TO HEAR FROM YOU!

The Capital Area Metropolitan Planning Organization (CAMPO) is working with regional agencies and local governments on amendments to the four-year Transportation Improvement Program (TIP) and the long-range CAMPO 2040 Plan. Amendments submitted by local entities do not include any new projects in CAMPO's six-county region. These amendments are limited to changes to projects already in these planning documents. Amendments may include a change in funding source, project length or limits, or the project description.

Attend an open house and provide your comments on amendments to the 2017-2020 TIP and the CAMPO 2040 Plan. All open houses are a come-and-go format, there will be no formal presentation. All open houses will be held 4-7 p.m.
